Soapbox Science will highlight and profile each of the participants for each location on the Soapbox Science website.

Yes

No

Volunteers

Soapbox Science events also involve a team of volunteers who will help run the event, support participants and attract audiences. If you think you may need particular volunteer assistance, or if you may bring a volunteer with you, please let us know below.

Diversity monitoring questions

Soapbox Science is committed to promoting diversity in UK Science, Technology, Engineering, Mathematics, and Medicine (STEMM) by seeking to increase participation from underrepresented groups. Please help us to monitor how effectively we are doing this by providing the following information. All questions are voluntary. The information provided will form a confidential statistical record in accordance with the Data Protection Act and will not be used for any purpose other than analysis of Soapbox Science's activities.
